Matematichki Bilten

MATEMATICHKI BILTEN (abbreviated as Mat. Bilten) is an international, peer-reviewed, open-access journal published by Union of Mathematicians of Macedonia. It is the oldest Macedonian mathematical journal, founded by the Union of Mathematicians and Physicists of Macedonia in 1950 as Bull. Soc. Math. Phys. Macédoine and since 1977 it is indexed as Matematichki Bilten (Mat. Bilten). Its high-quality is guaranteed with the aid of prominent members of the Editorial Board from the entire world. As of 2013, Matematichki Bilten is biannual (2 issues a year).

The journal is abstracted and indexed in: Mathematical Reviews (MathSciNet), Zentralblatt fur Mathematik, Реферативный журнал "Математика", EBSCO, Crossref, Publons, Google Scholar, WorldCat, Semantic Scholar, etc.

The journal coverage touches on a wide variety of topics in pure and applied mathematical sciences, including: algebra, mathematical analysis, topology, graph theory, differential geometry and applications in gravitation, approximation theory, differential equations and dynamic systems, mathematical optimization, probability theory, mathematical statistics and their application in different areas, such as applications in finance, modeling, etc. and mathematical aspects of cryptography.

The editorial team welcomes original contributions that have not been published and are not under consideration elsewhere. The journal publishes research articles and short communications and follows a single-blind reviewing procedure. The Editor and Editorial Board members control manuscript review and selection. Manuscripts are reviewed by the Editor, the Editorial board and reviewers with special competence in the area represented by the manuscript. The Editors' decision to accept or to reject a manuscript will be sent promptly to the author, with suitably detailed explanations. As per present policy, papers received for consideration of publication are processed immediately. The referees are requested to give a report on a paper within three to four months. In case of a clear recommendation for publication the paper will be published online within one week after the completion of all necessary publishing steps and printed in the forthcoming issue of the journal.

The interested contributors are highly encouraged to submit their manuscripts/papers to the Editor in Chief via e-mail at matematichki.bilten@gmail.com, or at celakoska@gmail.com . Please indicate the name of the journal (Mat. Bilten) in the cover letter or simply put "Submission for Mat. Bilten" in the subject box during submission via e-mail.

Mat. Bilten is inviting papers for Vol. 46 (LXXII) Issue 1 (2022) and **Vol. 46 (LXXII) Issue 2 (2022).**
